TVCCA

Client Directory

Click [here](#) if you would like to perform a Client Intake.

Use the form below to find a client.

find by social security number

find by last name

find by telephone number

find by case number

find by street address

FIND

1. Enter your search criteria in any one of the fields
2. Click the **FIND** button

TIPS for searching...

-If you are using the **social security** or **telephone number** fields, do not use any dashes, spaces, or other punctuation. For instance, if you are searching for Social Security number 012-34-5678, type in [0123425678](#).

-Include the area code in the **telephone number** field. For instance, to search for (860) 999-1234, type in [8609991234](#)

-You can search for clients that begin with partial search criteria. For instance, to search for all clients' **last names** that begin with the letters 'Sa', type in [sa](#) in the last name field.

Viewing a Client...

The client's name and client ID (system identification number assigned by the software)

CLIENT: Joe Schmoe (#6405)

Client View
