[ print ]

You can re-assign this person to the current household to be included in its household members.

If you click 'Yes' below, the re-assignment will be made and you will be brought to the client's information screen, where you can view or edit his or her current information already in the system.

Would you like to re-assign this person to the current household?

Print out an information sheet if you for reference if you need to (see example below)

After reviewing the information, click on 'yes' or 'no' to take the appropriate action

TVCCA

**Duplicate SSID Report**
