**HOUSEHOLD ELIGIBILITY**

Welcome to the new household eligibility page.

KeyWare's eligibility section is now connected with the Automated Benefits Calculator.

In order to get the best results for your client, make sure to review all sections of this household's information for accuracy including income, assets, and expenses.

In addition, this process will prompt you to review other, more dynamic data for accuracy before submittal.

Click **HERE** to begin the eligibility process.
